# Gospel Grid by Will Galkin

Sometimes Christians can feel overwhelmed or under equipped when thinking about taking the gospel to those around them. We can be burdened about everyone and end up reaching no one. What is needed is a Gospel Grid. During the adult pre-service in our local church meetings we have been studying how we can reach others with the gospel. Please download the PDF provided. This material is designed to help equip the believer with a biblical grid to assist them as they do their part in reaching the lost around them with the gospel of Jesus Christ. The Gospel Grid will seek to assist the believer by walking them through the following questions:

1)
Who has God placed into my life to reach with the Gospel?

2)
What is the mindset of those that God has called me to reach?

3)
What is the gospel and how should I communicate it?

4)
What is my plan to reach those around me with the Gospel?
