

Dr. Les Ollila

I am pleased to recommend Will and Christy Galkin to minister in your church. I have known them both to be Godly and consistent with no personal agenda except to serve the body of Christ and to glorify God. You will be greatly blessed by the communication and content of the message. You will also be personally encouraged by Will's life message. He has a genuine heart to serve pastors as they carry the heavy load of being the under shepherd to the body of God's people.

In Christ,

Les Ollila
