

Praying Scripture

Pray and read your Bible. Christians are told over and over this is what they must do everyday to walk with the Lord. "I can read my Bible. That's not difficult, but prayer? I don't know what to say". "I don't have enough to say" — my prayers only last ten minutes. "My mind wanders and I find myself thinking about all that I have to do today." These are questions and comments I have heard people say and even said myself. Yet the Bible says to "Pray without ceasing" (1 Thess. 5:17). How can I have a greater prayer life?
